

DO YOU WANT TO SPEAK FINNISH AT WORK?

WELCOME TO STUDY WORKPLACE FINNISH!

- » The target is to speak Finnish at your workplace.
- » In the training, you will learn to speak, write, read and understand speech in Finnish.
- » You will learn words connected to your profession, workplace and occupational safety.
- » You will also learn to write Finnish better.
- » You will learn more Finnish, you will speak more Finnish at work.
- » You will also understand better what your colleagues and supervisor say.
- » When you speak Finnish, you will enjoy yourself more at work.
- » When you speak Finnish, you will have an opportunity to advance your career.

Ask your supervisor about Workplace Finnish!

- » He/she will let you know when and where it is possible to study.
- » The training is free of charge for you.
